

IMAN EIN ALIZADEH

CIMSPA Registered | Level 3 Diploma in Gym Instructing & Personal Training

Ark Living, Canary Wharf, London | +44 (0)7392 305508 | ieinalizadeh@gmail.com

PROFILE

CIMSPA registered Personal Trainer with a Level 3 Diploma in Gym Instructing and Personal Training, and over two years of hands-on gym floor experience. Combines a strong academic background in exercise science with practical client-facing experience gained through gym floor coaching and reception roles at Brunel University's sports facilities. Passionate about designing evidence-based, personalised training and nutrition programmes that help clients achieve sustainable results.

QUALIFICATIONS

- Level 3 Diploma in Gym Instructing and Personal Training — Educate Fitness (CIMSPA Registered)
- Level 3 Pilates Instructor — Body Control Pilates
- Level 2 Certificate in Gym Instructing — Educate Fitness (CIMSPA Registered)
- First Aid at Work Certificate (EFAW)

PERSONAL TRAINING SKILLS

- Client consultation, PAR-Q screening, and goal setting using the SMART framework
- Design and delivery of periodised, progressive training programmes for individual clients
- Nutrition analysis and evidence-based dietary recommendations within scope of practice
- Cardiovascular, resistance, functional, and flexibility programme design (including advanced training methods: pyramids, supersets, pre-exhaust, drop sets)
- Client motivation, behaviour change coaching, and motivational interviewing techniques
- Strong understanding of anatomy, physiology, and exercise safety

WORK EXPERIENCE

Gym Floor Assistant — Brunel University London

2023 – 2025

- Provided gym floor supervision and support to members, ensuring safe and correct use of equipment
- Delivered basic exercise guidance and equipment inductions to students and staff
- Monitored the gym floor for hazards and maintained a safe, clean training environment
- Built strong rapport with regular gym users, supporting their motivation and consistency

Gym Receptionist — Brunel University London

2022 – 2023

- Managed front-of-house operations including member check-in, bookings, and enquiries
- Delivered high standards of customer service in a fast-paced sports facility environment
- Handled membership administration and resolved member queries efficiently

PERSONAL PROJECTS

Squat Form Analyser — Remaker London

July 2025 – September 2025

- Built a real-time computer vision application using MediaPipe and OpenCV to track 33 body landmarks during barbell squats
- Developed live joint-angle calculation (knee, hip, back) with automated rep counting and form quality scoring
- Created colour-coded real-time feedback (green/amber/red) to flag form deviations as they happen, applying exercise science knowledge to a practical coaching tool
